

**Office of Research Integrity  
Small Organization Statement for Handling Allegations of Research Misconduct  
Involving Public Health Services Research and Related Activities**

CairnSurgical, Inc. has incorporated into its policies and procedures the following approach for handling and reporting possible research misconduct and agrees to comply with other provisions of 42 C.F.R. Part 93:

1. Upon becoming aware of an allegation or other evidence of possible research misconduct, the designated misconduct policy and procedures official of CairnSurgical, Inc. will immediately contact the Office of Research Integrity (ORI) at (240) 453-8400, and CairnSurgical, Inc. will submit an annual report to ORI.
2. CairnSurgical, Inc. will work with ORI or other appropriate offices of the Department of Health and Human Services (HHS) to develop and implement a process consistent with the regulation at 42 C.F.R. Part 93 to fully explore the allegation or evidence of misconduct involving PHS support research or research activities. This may entail ORI/HHS taking primary responsibility for conducting the inquiry and/or investigation.
3. CairnSurgical, Inc. will cooperate fully with the ORI/HHS in conducting its oversight and review of possible research misconduct involving PHS supported research or research activities.
4. CairnSurgical, Inc. will inform its employees of their option to report any allegation or evidence of research misconduct directly to ORI rather than to CairnSurgical, Inc. designated misconduct policies and procedures official.
5. CairnSurgical, Inc. has 5 employees, 5 of whom are involved in PHS research or research activities as defined in 42 C.F.R. Part 93.
